

Diode Symbols

							
Semiconductor diode, general symbol	Semiconductor diode (IEEE style)	Diode, general (IPC 2612-2010)	Temperature sensing diode	Variable capacitance diode	Capacitive diode (varactor) (IEEE)	Diode, varactor (PC 2612-2010)	Tunnel diode
							
Breakdown diode, unidirectional	Unidirectional diode; voltage regulator	Breakdown diode, bidirectional	Bidirectional diode (IEEE)	Backward diode (unitunnel diode)	Bidirectional diode (IEC)	Reverse blocking diode thyristor	Reverse conducting diode thyristor
							
Bidirectional diode thyristor; Diac	Light emitting diode (LED), general symbol	Photodiode	Schottky diode	NPN breakdown diode; trigger diac (IEEE)	PNP breakdown diode; trigger diac (IEEE)	Step recovery diode (IEEE)	PIN-type diode (IEEE)

All Electrical & Electronic Symbols in <https://www.asutpp.com> (based on IEC and IEEE standards)
