

Symbols of Adjustability and Variability

 Adjustability, general symbol	 Adjustability, non-linear	 Adjustability, pre-set	 Pre-set adjustability	 Variability, general symbol	 Variability, non-linear	 Action in steps	 Adjustability step by step
 Continuous variability	 Automatic control	 Continuous variability, pre- set	 Amplifier with automatic gain control	 Variability	 Stepwise variability		

All Electrical & Electronic Symbols in <https://www.asutpp.com/> (based on IEC and IEEE standarts)
